

World Space Week Celebration 2024 Programme at Bargarh, Odisha

Every year **World Space Week (WSW)** is organised all over the world during 4th - 10th October to commemorate two milestones in Space exploration; 4th October marking the launch of the first man-made satellite, Sputnik-1 in 1957 and 10th October marking the day on which the UN declaration for peaceful uses of outer Space came into force in 1967.

Satish Dhawan Space Centre SHAR (SDSC SHAR), Indian Space Research Organisation (ISRO) is celebrating World Space Week Celebration 2024 during 4th to 6th October 2024 with the collaboration of **Vikash Group of Institutions, Bargarh, Odisha** to stimulate the young minds and reap benefits for future generations in the space segment.

SDSC SHAR popularly known as “**Spaceport of India**” located at **Sriharikota**, Andhra Pradesh is planning to organize the “**World Space Week (WSW) 2024**” from 04th to 6th October 2024.

This World Space Week is planned to propagate the benefits of Indian Space Programme to majority of Scientific, Academic and General Public. Accordingly, it is organizing space awareness programmes, events and exhibitions at **Vikash Group of Institutions, Bargarh, Odisha.**

The competitions are organised for students’ community and all general public are allowed to take benefit of this space awareness programme.

Display materials related to space and rocketry models will be exhibited. The space awareness lectures will be given by Eminent scientist of ISRO, Space awareness videos will be played.

The following event/activities are planned to be organized during WSW-2024 at **Vikash Group of Institutions, Bargarh, Odisha.**
